

The 16th Built Environment Conference

Construction in 5D: Deconstruction, Digitalization, Disruption, Disaster & Development: A Second Look

TOP PAPERS

1. Identifying Key Barriers Impeding Circular Built Environment Transition in Africa: An Exploratory Factor Analysis
Jacob Mhlanga, Theo C. Haupt & Claudia Loggia
2. An integrated framework for catalysing development and sustainability of small and medium-sized contractors: A case of Namibia
Tinoapei Dhliwayo, Innocent Musonda & Trynos Gumbo
3. The influence of different personality types relating to the Quantity Surveyor within a design team to facilitate effective communication in the Construction Industry
Tascha Bremer & Maria Coetzee
4. Decentralized Treatment for Wastewater: Practices Towards Sustainability in Wastewater Management- A Bibliometric Review
Happison Muzioreva, Trynos Gumbo, Neema Kavishe & Innocent Musonda
5. The potential of Industry 4.0 to enhance project delivery in the Zimbabwean construction industry
Hannah Mago, Benviolent Chigara & John Smallwood
6. Leadership style and its influence on job satisfaction of South African quantity surveyors
Rudolf Coetsee, Janita Stroebel & Gerrit Crafford
7. An investigation and comparison of the mental health of the construction industry workforce prior to and during the pandemic in UK
Ali Bayyati, Katie Hewitson, Ruoyu Jin, Rafiu Dimeji Seidu, Bert Ediale Young & John Ebohon
8. Eliciting Key Enablers of Development and Sustainability of Small and Medium-sized Contractors: A case of Namibia
Tinoapei Dhliwayo, Innocent Musonda & Trynos Gumbo
9. Adoption of Building Information Modelling (BIM) by Small and Medium UK Construction Enterprises (SMEs).
Rafiu Dimeji Seidu, James I. P. Rundle, Job Momoh, Obas.J. Ebohon, Bert Ediale Young & Zulfikar Adamu
10. Construction Project Finance for Success: SMEs Perspective
Charles Poleni Mukumba, Christopher Amoah & William Mbelembe
11. Challenges of the Supply Chain Management in The Construction Industry: An Analytical Study
Ahmed Shafik, Ayman Ahmed Ezzat Othman, Ahmed Hussein Ibrahim & Nishani Harinarain
