

Association of Schools of Construction of Southern Africa 16th Built Environment Conference

12 October 2022

On behalf of the council of the 16th Built Environment Conference, we are pleased to inform you that the following papers have been selected for publication in the special edited book collection to be published by Springer Nature and indexed in Scopus, Web of Science and Compendex.

To meet the publisher requirements and standards, authors must significantly revise the paper which may address all comments from the conference, any outstanding reviewer comments, collecting additional data, conducting some additional analysis and discussion to ensure that their chapter is improved and different from the conference paper. Also, the title of the book chapter must be different from the conference paper, but authors must state that their chapter is an extended version of the conference paper, which should be cited in the chapter.

All submissions should be made to: papers@asocsa.org. For any queries please do not hesitate to contact us at: conference@asocsa.org

Key dates

- Paper submission deadline: 15 November 2022
